

Terms of Warranty for guttagliss acryl sz profile sheets 1,5 mm

On our guttagliss **acryl sz 1.5 mm corrugated sheets**, we offer a warranty on the following values after 30 years of outdoor use: The product may not have lost more than 8% of its translucency as a direct and sole consequence of exposure to the sun (measurement according to the process defined in ASTM D-1003-77).

The product may not show any adaptation to the yellow colouring of more than 10 delta units as a direct and sole result of exposure to the sun (measurement according to the process defined in ASTM E-313-05).

Requirements:

- Use of the components in Europe.
- The product is to remain in its original state and may not be adapted or changed, unless explicitly allowed.
- Transport, Storage, Cleansing, Adaptation and Assembly according to current techniques and the current technical documents such as gutta laying and maintenance instructions.
- The use is not subject to lasting chemical influence.
- Accumulation of heat has been avoided by lining and white-washing the exterior surfaces.
- Assembly is to be conducted using original tools and accessories.
- Complaints are to be submitted to us via the dealer from whom the plates have been purchased, alongside with the original sales receipt.

Compensation:

As long as the claim is justified according to these terms of guarantee, the manufacturer will deliver, as he sees fit, a free replacement for the product to the customer, or return the purchase price, either in whole or in part, paid to the manufacturer, as follows:

Should the manufacturer be informed of an inspection **within 3 years** after the begin of the warranty period, and the claim placed in an appropriate fashion and sustained, the manufacturer, at his own discretion, is to deliver a replacement product free-of-charge or to refund the original purchase price.

Should the manufacturer be informed of an inspection **after 3 years** of the begin of the warranty period, and the claim placed in an appropriate fashion and sustained, the manufacturer is to deliver a replacement product. The price to be paid by the customer for the replacement product is 10 % of the price valid at the time of the replacement multiplied by the number of years passed since commencement of the warranty period until the point of replacement, however, no more than 90 % of the manufacturer's price.

In lieu of delivering a replacement product, the manufacturer can, at his own discretion, refund the difference between the current price and the aforementioned replacement price.

Any further claims are excluded. This warranty does not cover the cost of re-covering nor of any damages caused by breakage, and commences with the day of sale. Further information can be found in our warranty information sheet.

Deviations in colour and size etc., within the usual boundaries remains reserved. Adhere to the local construction stipulations. Our recommendations do not release the purchaser from the duty to examine the product at his own risk. In case of doubt, specialist help is to be sought.

This warranty does not affect the user's statutory rights viz-à-viz the vendor on grounds of material defects.

Subject to technical modifications.
